FSVP WRITTEN VERIFICATION PROCEDURES

21 CFR 1.506(b)

Importer: SAMPLE — Example Foods Co.
100 Example Street, Sampletown, CA 00000 (fictional)
Generated: Sep 15, 2026

PURPOSE

The foreign supplier verification activities must provide assurance that the hazards requiring a control in the food you import have been significantly minimized or prevented.
— 21 CFR 1.506(c)

DETERMINATIONS

21 CFR 1.506(d) requires the importer to determine and document which verification activities, and their frequency, are needed for each foreign supplier and food — before importing, and on the basis of the evaluation conducted under 21 CFR 1.505. The determinations recorded by this importer are set out below.

SAMPLE-001 — Roasted cashews, 25 kg cartons (fictional)

Foreign supplier: Example Nut Processing Ltd. (fictional)
Verification activity: Sampling and testing, Review of the supplier's food safety records
Frequency: every 3 months
Next due: Dec 12, 2026
Performed by (qualified individual): Alex Sample (fictional)
Notes: Fictional schedule for the sample records.

SIGNATURE (21 CFR 1.510(a)(2))

I reviewed this record. It is accurate and complete to the best of my knowledge, and I sign and date it as required by 21 CFR 1.510(a)(2).

This document was assembled by Aleph from determinations recorded by the importer. It is a rendering of those records, not a determination that the importer's FSVP is adequate — that assessment belongs to the importer's qualified individual, and to FDA.
